I left school with few qualifications
and returned to learning later

Alexander Duncan
Black

What are you doing now?

I plan to emigrate to Canada and
the qualification will help me get a
better job there

Top Tip

Ask questions! Your teachers have all
been to university - ask them about their
experiences. If any of your family or friends
have been to university speak to them
about what it's like to be a student.

“Do your homework and revision, it's worth it!”
